**Inquires Procedures:**

The inquiries procedure refers to FIG/TR 2025

Inquiries for the Difficulty score are allowed, provided that they are made verbally immediately after the publication of the score or at the very latest before the score of the following gymnast is shown. For the last gymnast of a rotation, this limit is one minute after the score is shown on the scoreboard. The person designated to receive the verbal inquiry has to note the time of receiving it and this starts the procedure. Only the accredited coaches in the competition area (Artistic Gymnastics) are entitled to submit an inquiry. Late verbal inquiries will be rejected. A NF is not allowed to complain against a gymnast from another federation.

The inquiry will must be confirmed as soon as possible in writing, but within 4 minutes at the latest after the verbal inquiry and will require an agreement of payment of **CHF 300** - for the first complaint, **CHF 500** - for the second complaint and **CHF 1'000** - for the third and subsequent complaint lodged by the NF throughout the event (and not starting from “1” again at each competition phase). Should the inquiry not be confirmed in writing within 4 minutes, then the procedure will become obsolete. The inquiries must be examined by the Superior Jury and a final decision (which may not be appealed), must be taken at the very latest.

- At the end of the rotation for the Qualifications.
- Before the score of the following gymnast of the same panel is shown for the finals. The detailed procedure is laid down in the respective MAG and WAG Code of Points.

After review of the routine the score is either changed (risen or lowered) or unchanged.

After review of the inquiry, should the final score be higher, this sum will not be invoiced by FIG to the Federation. However, should the final score remain unchanged or be lowered, the sum will be invoiced and transferred to the FIG Foundation for Solidarity.
